

JOHN L. BABER.

WALTER J. TURPIN.

Baber & Turpin,

## WHOLESALE AND RETAIL MERCHANTS.

Our big line of Fall and Winter goods are arriving daily, and the prices are lower than ever although all goods have advanced, and the reasons are that we bought early and bought direct from factories, and we prefer to give our customers the benefit of the good bargains.

Although leather has advanced from 25 to 50 per cent. we are selling shoes at the old prices, and therefore we are selling shoes cheaper than our competitors can buy them themselves.

Remember that we carry the biggest line of Groceries in Southwest Virginia, and all the merchants, as well as the consumers, of this section acknowledge that we are the leaders. Our Motto:

**"FAIR AND HONEST DEALINGS WITH ALL MANKIND."**

If you can't come to market, order your goods, and we will ship them by first train. We are headquarters for Country Produce.

Respectfully,

P. O. BOX 83.

BABER & TURPIN, POCAHONTAS, VA.

A good recommendation for Simmons Liver Regulator is, that it is purely vegetable and strongly tonic.
